LOMITA CHURCH NOTES

The Sunday School continue its large attendance. A recent session of the class books gives us an enrollment of 187 officers, teachers, and pupils. The morning subject was "The Souls Election Day," from the text: "I have set before thee life and death; the blessing and the curse; therefore choose life." For each one of us, everyday is an election day. The soul has an election day as well as the nation. And that day comes more often than once every four years. Great choices are to be made. The decision to accept Christ or put Him off until a more convenient season. The choice of a life vocation and the choice of life partners in marriage besides these and other great decisions, small in themselves, but great in the final result. We are what our choices have made us. As a man thinketh in his heart, so is he. "Our deeds will follow us from afar, and what we have been makes us what we are." "Whatsoever a man soweth, that shall he reap." In the evening the pastor spoke on The Prayerless Man, making an appeal for the habit of prayer in the individual and family life.

A Hymn Praise Service will be given Sunday evening, Nov. 7 at 7:30 o'clock. There will be several solos. Cradle Roll Sunday will be observed Sunday, Nov. 14, at 11:00 a. m. The roll of little ones will be read and opportunity for the baptism of infants will be given. The three hundredth anniversary of the Landing of the Pilgrims will be observed, Sunday, Nov. 21 at 7:30 p. m. A specially prepared program will be given by the pupils of the Sunday school. Kindly bear these coming events in mind and bring your friends to the church to enjoy them.

LOMITA LOCALS

Mr. and Mrs. Irwin Them were guests at the Willacy home on Saturday.

The property of Mr. and Mrs. A. Gustavson was sold last week, but they will again buy a home in Lomita.

Mr. and Mrs. Charles Henry Bennett of San Pedro were visitors on Tuesday of Mr. and Mrs. S. J. Irwin of Chestnut street. The Bennetts are looking for a home and are greatly pleased with Lomita. The two families were former friends in Los Angeles.

While in attendance at the Barbecue celebration a week ago, Mrs. S. J. Irwin there met old friends whom she had not seen for years when she and Mrs. Geo. Seely of Chicago met at the serving counter. Mrs. Seely came down from Los Angeles the result being a happy reunion.

ATTACKED BY DOG

A vicious and savage dog in the neighborhood of Beacon and Eshleman streets, last Monday attacked Mr. Wentz and before the canine could be subdued he had nearly disrobed his victim. Mr. Wentz also suffered several lacerations.

160 LUGS SPUDS TO HALF-ACRE

What was that about Lomita Soil? S. A. Salvason, corn of Eshleman and Beacon streets, reports he recently dug 160 lugs of sweet potatoes of 33 pounds each off one-half acre of land.

STREET LIGHTS DUE

Gentlemen—

We have supplied the service for the street lights for the past eight months for which the chamber of commerce advanced \$190.40 guaranteeing payment of bills. This amount is now exhausted, including this month's account, with the exception of a balance of \$4.49. The fact that there is no way of securing a guarantee for payment of bills from an association like yours, except through payment of a reasonable sum of money, it becomes necessary for you to again make an advance payment.

Trusting I will hear from you before the present balance is exhausted.

Yours very truly,
 W. M. McKnight, Dist. Mgr.
